CULTMIX LIVE

BUILDING A GLOBAL VISION

We bring a **CULT**ure built on over two decades of major entertainment achievements across nearly 20 countries throughout Latin America, combined with a strong, proven track record in large-scale event operations.

We **MIX** our team's vast expertise with innovative, data-driven strategies and technology to create scalable, vertically integrated proprietary businesses and projects in live events.

CULTMIX LIVE

20 YEARS OF MASTERY IN LARGE EVENTS

With a leadership team bringing over two decades of experience, having delivered more than **15,000 events** and impacting over 30 million people, **CultMix Live** is built on a solid foundation of large-scale execution across Brazil. This includes landmark projects such as the **São Paulo Carnival**, **Virada Cultural** (One of the largest free festivals in the world) and the **São Paulo LGBTQI+ Pride Parade** (The largest in the world).

A team capable of executing multi-stage environments, managing large audiences, and delivering multiple events simultaneously at city level with excellence. This capability is supported by a vertically integrated infrastructure platform, with proprietary assets and full operational control, enabling consistent and high-performance delivery across all projects.

PROPRIETARY STRUCTURE FOR ALL EVENTS

CultMix Live operates a fully integrated infrastructure platform composed entirely of proprietary assets, enabling complete control over production, logistics, and execution.

This includes **staging, structural systems, backstage solutions, sound and technical equipment, and custom-built assets,** allowing the delivery of events at any scale without reliance on third-party suppliers.

The company also has an operational arm with its **own factory**, equipped with specialized machinery to **design and build custom steel and iron structures**, reinforcing full ownership and control across the entire production chain, This proprietary structure ensures **efficiency, scalability, and consistency** across all operations.

CULTMIX LIVE

INTEGRATED VENUE ECOSYSTEM POSITIONING

CultMix Live has established a strategic operational partnership with **Arena Mercado Livre Pacaembu**, positioning itself within São Paulo's premium large-scale venue ecosystem.

This enables the development and execution of complex proprietary projects in one of the city's most relevant venues.

NEW OUTDOOR ARENA INITIATIVE

CultMix Live is developing a new large-scale outdoor venue in a **prime São Paulo location**, creating a flexible platform for concerts, festivals, and proprietary experiences.

This initiative reinforces our **long-term strategy of building** owned and controlled environments for scalable growth.

CULTMIX LIVE

15 YEARS OF ENTERTAINMENT

With over a decade of experience promoting concerts and developing tours across Latin America, from Mexico to Uruguay, Alex Palaia has worked with global artists such as **Limp Bizkit, Cypress Hill, Papa Roach, Billy Idol, Jessie J, Kenny G, Stone Temple Pilots, The Black Crowes, James Blunt, Dream Theater, P.O.D, Slightly Stoopid**, among many others.

Formerly part of T4F/Time For Fun's Tours & Festivals team, contributing to its post-pandemic comeback, a recognition of his market relevance after more than a decade as an independent promoter.
